

# Full Service Theatre Company

We provide training for beginner and intermediate artists on the stage and behind the curtain to develop their careers and we focus on BIPOC Artists. we offer training that will produce the next directors, playwrights, stage managers, lighting designers, set designers, costume designers and sound designers who are all an important part of making sure the show goes on.

## Our Mission

is to strengthen the accessibility of theatre to the African-American/Black communities of South Shore and to be an economic and artistic resource for BIPOC artists. We are a 501 c3, tax exempt non profit organization.
